

Cub Team Member

"Confidence - builders wanted"

We're looking for someone who can join our Cub Team to help encourage our Cubs (8-10.5yr olds) to take that leap, make that jump, get up and carry on regardless.

From cooking, playing games, building things, or enjoying the outdoors & camping it's all about having the confidence to give it a go.

Cubs meet on Wednesday evenings... no need to be available every week - flexible volunteering is what we are about...

Sound like you?
